

CAMPEY™

Pedestrian AeraSeeder

The 60cm Pedestrian Aeraseeder from Campeys provides simple, yet accurate initial and overseeding in those "hard to get at" places. At only 83cms wide, with a seeding area of 60cms, this mighty little machine will quickly overseed your golf greens, cemeteries, goal mouths, garden areas, and any other bare areas. The multi-spiked roller produces approx. 800 perforations per square yard, effectively saturating the top surface with a network of holes. This network, combined with our stainless steel seed apertures, brush, and smooth packing roller systems, offers the highest percentage of grass seed germination.
