

# Compact **Cut & Collect**

**TURF-TIDY**  
1100

## All-in-One Turf Care in a Compact Design

The Turf-Tidy 1100 is a versatile solution for maintaining clean, healthy turf. Tractor-mounted, it combines flail mowing, scarifying, and sweeping in one machine, saving time and reducing the need for multiple pieces of equipment on site.

Compact in size yet powerful in performance, the Turf-Tidy 1100 is highly manoeuvrable and ideal for places where space is limited. Its clamshell hopper design makes collecting and emptying debris simple and efficient.

### **Compact Design**

Compact and highly manoeuvrable in tight spaces. Tractor-mounted.

### **Cut & Collect**

Performs multiple turf care tasks – flail mowing, scarifying and sweeping.

### **Clamshell Hopper**

The 1100-litre hydraulic low-dump hopper empties quickly and efficiently.

## Always Ready for the Job

The Turf-Tidy 1100 delivers versatile performance with a 1.50 m working width and a 1100-litre hopper capacity. Its compact size makes it ideal for tight areas, while still offering productivity on larger surfaces. Practical and efficient, it reduces the need for multiple machines on site and is ready for daily maintenance tasks.

## Built to Last

From the compact frame to the hydraulic clamshell hopper, every part of the Turf-Tidy 1100 is designed with durability in mind. The flail rotor with its 48 hardened knives and 18 wind paddles delivers performance season after season, while the low-maintenance construction keeps servicing it simple. With its proven reliability in daily cut & collect work, the Turf-Tidy 1100 is a machine you can depend on to keep turf surfaces clean.

| Specification            | Turf-Tidy 1100                            |
|--------------------------|---|
| SKU                      | S0001719                                  |
| Working Width            | 1.50 m (4.9 ft)                           |
| Loading Capacity         | 1100 L (290 US gal)                       |
| Maximum Working Depth    | 50 mm (1.96")                             |
| Weight                   | 515 kg (1135 lb)                          |
| Dimensions (L × W × H)   | 1.85 × 1.88 × 1.57 m (6 × 6.16 × 5.15 ft) |
| Min. Tractor Requirement | 38 hp, 540 RPM PTO                        |
| Knife Thickness          | 3 mm (0.11")                              |
| Knife Distance           | 26 mm (1.02")                             |
